Subject: The holiday of the town of Lovech – May 11

DEAR MISTER KINASTOWSKI,

The situation with the coronavirus is the same in Bulgaria. Most likely the holiday of the town of Lovech - May 11 will be canceled, as well as the Day of Bulgarian education and culture - May 24.

It cannot be predicted how long this emergency will last, but when we have the clarity you will be notified immediately. I hope this situation will end sooner and more seamlessly for all of us.

With wishes to be safe and healthy, I remain hopeful for our joint meetings again.

BEST REGARDS,

CORNELIA MARINOVA
Mayor of Lovech Municipality
